PK20™  
PRODUCT FACT SHEET

## PK20™

The PK20™ is a laidback and elegant easy chair, designed by Poul Kjærholm. Handcrafted in both wicker and leather, the chair features soft leather upholstery and a reclining headrest, resting on a flexible matt chromed spring steel frame. Over the years, the PK20 has become a Poul Kjærholm classic – as well as a permanent fixture at the Victoria and Albert Museum in London.

### ABOUT THE DESIGNER

Poul Kjærholm was a trained cabinet maker and continued his studies at the Danish School of Arts and Crafts in Copenhagen. He had a particular interest in different construction materials, especially steel, which he considered a natural material with the same artistic fineness as other natural materials. Poul Kjærholm was first employed at Fritz Hansen for about a year, where he designed a number of noteworthy chair prototypes. In 1955, Poul Kjærholm initiated his collaboration with manufacturer Ejvind Kold Christensen, which lasted until Kjærholm's death in 1980. In 1982, Fritz Hansen took over the manufacture and sales of "The Kjærholm Collection", which was developed over the period 1951 to 1967.
