

POUF CREATIVE SEATING

The Pouf offers natural appeal and practical elegance in curated colours and materials, designed by Cecilie Manz to elevate spaces with a sophisticated aesthetic.

POUF

Cecilie Manz, 2016

Pouf is a versatile and decorative extra seat that lends spaces a relaxed and welcoming atmosphere. Designed in collaboration with Cecilie Manz, one of the leading Danish designers of her generation, the Pouf comes in two sizes in a range of curated colours and materials.

The Pouf's natural aesthetic appeal is enhanced by the new selection of subtle colours and genuine materials including leather and linen canvas options. Exquisitely crafted, the sophisticated and practical piece elevates spaces with a refined aesthetic.

USP'S

- The Pouf is a universally adaptable piece that sits beautifully and adjusts seamlessly to individual needs and room dynamics.
- Subtle colours and genuine materials are curated by the designer to match enduring trends and create a calm, sophisticated aesthetic.
- The new line of Pouf variants is reimagined in leather and linen canvas options, offering refreshed aesthetics and texture.
- Aesthetically pleasing, subtle, and versatile, the pebble-shaped Poufs serve as additional seating pieces that can also be used as a side table, footstool, or décor.
- The Pouf is available in one shape and two sizes, catering to a variety of purposes and spatial requirements.
- Their neat size and organic shape allow one to build a cohesive universe with multiple Poufs within a single space.
