Caratteristiche: Forma rassicurante e concreta, elegante e confortevole, misure “generose”. La collezione offre un’ampia gamma di divani, elementi, laterali, angoli che abbinati a piacere offrono innumerevoli combinazioni. Holden è disponibile nella versione “BASE” (senza cuscini-schienali) da completare con i cuscini-schienali scelti fra le diverse misure a disposizione, avendo quindi la possibilità di progettare il divano a piacimento, e nelle versioni “A” e “B”: la versione “A” è fornita con schienali di forma classica tradizionale e la versione “B” con cuscini-schienali (cm.58x58) più accattivanti ed informali in quantità predefinita. Alcuni elementi come i terminali e la dormeuse sono disponibili in due diverse misure di profondità, 103 e 118 cm. Il rivestimento è completamente sfoderabile. Holden è inoltre attrezzabile con il tavolino Argo. **Struttura:** Fusto in legno massello e multistrato, imbottito in poliuretano espanso indeformabile a densità differenziata, molleggio con nastri elastici intrecciati. Prerivestimento con tela di cotone accoppiata con fibra poliestere. Piedini in faggio laccato colore nero. **Imbottiture cuscini:** Cuscini-schienali tipo “A” in piuma lavata e sterilizzata con inserto in poliuretano; cuscini-schienali tipo “B” e “XL” interamente in piuma lavata e sterilizzata. Cuscini seduta in piuma con inserto in poliuretano sempre in versione cuscini divisi. Il cuscino di seduta in piuma offre un comfort speciale oltre a donare un aspetto piacevolmente vissuto, proprio della piuma, che va accettato in quanto inevitabile. Su richiesta si forniscono i cuscini di seduta in poliuretano e fibra poliestere e, in questa versione, sono disponibili sia unici che divisi.

Features: A reassuring, solid shape, elegant and comfortable, “generous” proportions. This collection presents a wide array of settees, side elements, corners that can form countless different combinations. Holden is available in the “BASE” version (without backrest cushions), which has to be equipped with backrest cushions to be chosen between several sizes. This allows the end customer to design his own sofa, in accordance with his taste. Holden can also be supplied in the version “A” and in the version “B”, with two different types of back cushions: the classic shape type “A” and the attractive, informal type “B” (cm.58x58) in pre-determined quantity. Some elements such as end-pieces and the sleeper are available in two different depths, 103 and 118 cm. The covers are completely removable. Besides, Holden can be equipped with the small table Argo. **Framework:** Frame in solid wood and plywood, padded with differentiated density non-deformable foamed polyurethane, sprung with interwoven elastic bands. Under-covering in cotton canvas coupled with polyester fibre. Feet in black-stained beech. **Padding:** Type “A” backrest cushions are made of washed and sterilised feather with polyurethane insert; type “B” and XL back cushions are made entirely of washed and sterilised feather. Seat cushions in down with polyurethane insert in separate cushions. The seat cushions in goose down provide special comfort and acquire a pleasant well-worn look, which is a typical feature of down and must be accepted. On request, cushions can be provided in polyurethane and polyester fibre, available in this version as a joint cushion.

Eigenschaften: Beruhigende und konkrete Optik, elegant und bequem, großzügige Maße. Die Kollektion bietet eine breitgefächerte Serie an Sofas, Seitenelementen, Eckteile, welche durch das Zusammenfügen nach freier Wahl unzählige Kombinationen bieten. Holden ist erhältlich in der Version “BASIS” (ohne Rückenkissen), die durch einige Rückenkissen ergänzt werden muß, zur Auswahl zwischen der verschiedenen verfügbaren Maßen. Dies erlaubt es dem Kunden seine eigenen Wünsche zu realisieren und sein eigenes Sofa zu kreieren. Dazu existieren zwei Versionen, “A” und “B”. Version “A” ist mit geraden Rückenkissen in klassischer, traditioneller Form lieferbar; Version “B” mit Wurfkissen (cm.58x58), etwas sportlicher und unformeller in vorausbestimmten Menge. Einige Elemente, wie die Endteile und die Dormeuse, sind in zwei Abmessungen in den Tiefen 103 und 118 cm verfügbar. Der Bezug ist komplett abziehbar. Holden kann ebenfalls mit dem kleinen Tisch Argo ergänzt werden. **Struktur:** Gerüst aus massiver Buche und Mehrschichtholz, Federung durch geflochtene Elastikgurte. Beine aus schwarz lackierter Buche. **Polsterung:** Rückenkissen Typ “A” aus gewaschenen und sterilisierten Daunen mit Polyurethan-Einsatz, Rückenkissen Typ “B” nur aus gewaschenen und sterilisierten Daunen. Sitzkissen mit Daunen und Polyurethan-Einsatz, stets als getrennte Kissen. Die Sitzkissen aus Daunen bieten einen weichen Komfort und als Eigenschaft der Daunen dementsprechend einen speziellen angenehmen Look, welcher als solcher akzeptiert wird. Auf Anfrage können die Sitzkissen aus Polyurethan und Polyesterfaser bestehen, und in dieser Ausführung, auch als einziges Kissen.
